

No Show Policy

No-shows increase City of Cedartown's operational costs, wastes taxpayers' funds, and cause an inconvenience to passengers who are riding the van or who wanted to but were unable to book a trip during the time of the no-show. An unchecked pattern of no-shows encourages waste and mistreatment of the service and passengers. Therefore, it is important to identify those passengers who have developed a pattern and practice of accumulating no-shows, based on their frequency of use.

In order to be subject to a Warning or Suspension, a passenger must have booked five (5) trips or more in a calendar month. Example: If a passenger books five (5) trips and no-shows 20% or more of these trips during the calendar month, they will be in violation of the no-show policy and subject to the progressive corrective action plan.

A passenger will be subject to the progressive corrective action plan only if both the minimum number of trips booked and the minimum number of no-shows are reached during a calendar month.

All suspension periods will begin on a Monday. The length of a passenger's suspension will adhere to the progressive corrective action plan described as followed:

First violation in a rolling 12-month period: Verbal Warning

Second violation in a rolling 12-month period: Final Warning Letter

Third violation in a rolling 12-month period: 7 days

Fourth violation in a rolling 12-month period: 14 days

Fifth violation in a rolling 12-month period: 21 days

Sixth and subsequent violations in a rolling 12-month period: 30 days

A trip cancelled in accordance with this policy, (i.e., more than one hour before the start of the pick-up window) will not be counted in the total number of trips booked, nor included in the Verbal or Final Warning Letter.

City of Cedartown Transit will retain records on passenger compliance regarding this policy. A Verbal Warning and copy of this policy will be issued upon the first violation. A Final Warning and copy of this policy will be issued upon the second violation. Further violation of this policy will result in suspension per the above schedule.

If a passenger no shows or late cancels *because of circumstances beyond their control*, they are to call City of Cedartown Transit Reservations or the dispatcher at: 770-748-4064 and explain the circumstance for the infraction. No shows or late cancels must be disputed within fifteen (15) business days after the end of the calendar month in which they occur. At this time, the passenger can request the removal of the no show or late cancel. Any no show or late cancel that is found to be in error will be removed from the client's account.

Right of Appeal

Anyone affected by this policy is entitled to request an appeal. If a passenger disputes a suspension under this policy, they have the right to file an appeal. Appeal requests must be filed in writing per the instructions noted in the appeal section of the policy. If a passenger misses the appeal request deadline, that passenger's service will be suspended on the date listed on the Suspension of Service Notification. A copy of the appeal process will be sent to the passenger along with the suspension letter.
